You make girls hearts go black
From you, I watch my back
Your eyes, the death of me
You make me pretty

And now I'm losing sleep
Since these nightmares they do creep
Those casual thoughts tonight
Now make me ill, dear

Oh my
Oh my
Oh my
Yeah x2Go!

Discretions are so bad
Obsession, make me mad
You put a spell on me
Senses control me

So now I'm losing sleep
Since these nightmares, they do creep
I will run, I will run
Yeah, yeah

Hey!

Oh my

Oh my
Oh my
Yeah x2

Go!

So if I close my eyes
Unveil your vain disguise
Your eyes, the death of me
You've made me pretty

And now I'm losing sleep
Since these nightmares, they do creep

And those casual thoughts tonight
Now make me ill, dear

Oh my
Oh my
Oh my
Yeah x2

Go!
