(Kilbey/Wilson-Piper/Koppes/Powles)

I remember going out yeah  
Everything is spinning round  
Remember feeling like I'd drowned  
Behind the veil is a sea yeah  
Only entered into chemically  
Anaesthesia down so deep  
Anaesthesia's numbing  
Anaesthesia's coming to you  
I don't know why  
Seems like I'm flying  
On the ground, in the air  
Slow-mo don't know  
I can't stop or go  
Where's the show, where  
I got a feeling about someone  
I do not know where  
So many things need fixing everywhere  
Anaesthesia tells me "slow down a little more"  
She says "why not sleep a little more"  
And tiptoes softly to the door  
Anaesthesia's numbing

Anaesthesia's coming to you  
I don't know why  
Seems like I'm flying  
On the ground, in the air  
Anaesthesia's soothing  
Anaesthesia's moving with you  
I don't know how  
It seems like now  
It seems like never to me  
I remember going out yeah  
Everything was spinning round  
Remember feeling like I'd drowned  
Anaesthesia's numbing  
Anaesthesia's coming to you  
I don't know why  
Seems like I'm flying  
On the ground, in the air  
Anaesthesia's soothing  
Anaesthesia's moving with me

I don't know how  
It seems like now  
It seems like never to me  
Anaesthesia's soothing  
Anaesthesia's moving
