I wasn't expecting this  
Now everything is destroyed  
Underneath us are the nothings  
Underneath them is a void

Beyond that void is a place  
Where figments from bad dreams are banished  
Childhood nightmares all come seeking  
And adult logic nearly vanished

Chaos  
[incomprehensible]  
[incomprehensible]  
Chaos  
[incomprehensible]  
[incomprehensible]

None of this is what I wanted  
I truly asked for what I got  
Bang the gavel, it's lawlessness  
I can't unravel the knot

Chaos  
[incomprehensible]  
[incomprehensible]  
Chaos  
[incomprehensible]  
[incomprehensible]

Half this wretched town is starving  
While the other half are bloated  
Everybody hates the bastards in power  
But their pill is sugar coated

Chaos  
[incomprehensible]  
[incomprehensible]  
Chaos  
[incomprehensible]  
[incomprehensible]

I didn't need any of this

I feel anxiety in my neck  
The consequences now apparent  
Feeding back unchecked

Incessant blue in spiral coils  
Fingers underneath the skin  
Adrenaline is not my mistress  
But she always knows just where I've been

Chaos  
[incomprehensible]  
[incomprehensible]  
Chaos  
[incomprehensible]  
[incomprehensible]
