(Shiverin', shiverin', shiverin')  
You're shiverin' again  
After all that we've been through  
Is that all, you can do?  
(Didn't wanna, didn't wanna)  
I didn't wanna come here  
Now I don't wanna go  
Is there some trick involved in this?  
As if you would tell me so

Everything is goin' wrong  
All my songs are comin' true  
And another thing  
That halo you wear on your head  
I haven't seen one of those for years  
Where have you been?  
In bed, you're dead

Vanishin' again  
After everything we've said  
It's all too much for your poor little, little head  
I've never ever been here  
I'll never ever leave  
Is there some string attached to this?  
Well, I can well believe

Everything is goin' wrong  
All my songs are comin' true  
And another thing  
That halo you wear on your head  
I haven't seen one of those for years  
Where have you been?  
In bed, you're dead

(Shiverin', shiverin', shiverin')  
You're shiverin' again  
After all that we've been through  
Is that all, you can do?  
(Didn't wanna, didn't wanna)  
I didn't wanna come here  
Now I don't wanna go  
Is there some trick involved in this?

As if you would tell me so

Everything is goin' wrong  
All my songs are comin' true  
And another thing, yeah  
That halo you wear on your head  
I haven't seen one of those for years  
Where have you been?  
In bed, you're dead
