(Kilbey/Wilson-Piper/Koppes/Powles)

You can't confuse me

You can't take me on as you are

You don't dare refuse me

Cos I know where in the garden you buried your star

Slow down, low down

You better break it up

No certainty attached

Slow down, low down

No certainty attached

Gulls in the harbour

You feel tiny pangs of pain

I thought you wore the cat's pyjamas

Is there something here should be explained ?

Slow down, low down

You better take it off

No certainty attached

Slow down, low down

No certainty attached

I'll keep on riding on my star,

I'll hold on to it's icy edge,

I'll keep on crashing out of space,

I'll keep on...

Girls in the windows

Windows in the houses in the streets

Street street streets in the city

City in the country from the clouds

Slow down, low down

You better break it up

No certainty attached

Slow down, low down

No certainty attached

(?)

Slow down, low down

Slow down, low down

We're gonna rise above it all

We're gonna pull the curtain back

We're gonna drop right out the sky

We're gonna
