Verse 1:

Here we go again, another fight I can't win. As we both
begin to drift

Apart I

Come crawling back each time, (Back each time.) just
to fall in line. (Fall

In line.) Each time it blows my mind how I love misery.

Chorus 1:

I can not breathe without you. I can't live without you. I
surrender now.

Whoa-oh-oh. Whoa-oh-oh-oh-oh-oh. Whoa-oh-oh.

Verse 2:

There is a part of me (Pardon me, whore) that needs
you constantly, (consistently you're) 'cause I'm
apparently

Addicted (A) to (dick) your (to) misery. (me.)

You've got a hold on me. (Hold on to me 'til) A grasp I
can't break free (I break free.) but soon we both shall
see how misery loves company.

Chorus 2:

I can not breathe without you. I can't live without you. I
surrender now.

Whoa-oh-oh. Whoa-oh-oh-oh-oh-oh. Whoa-oh-oh.

Bridge:

And here we go again, it's all the same. All in vain.

I must be insane 'cause I keep crawling back for more.

Well I'm so sick of your shit, I just want out of it. It's
killing me

Inside how I'm

Addicted to your misery.

And I, I KNOW IT'S HARD but you've got to try, misery.

Yeah.

Chorus 3:

I can not breathe without you. I CAN'T live without you.
I surrender. I said I surrender now.
