Not forsaken, another heart  
They lie taken in foreign parts  
Someone breakin' another heart  
They lie waitin' in foreign parts

Old England's skies  
- turn black and she cries  
- wet again  
All England's eyes  
- turn black and they cry  
- yet again

Standing over another heart  
Winds blow colder in foreign parts  
And the nameless, the sacred heart  
Come to claim us from foreign parts

Old England's skies  
- turn black and she cries  
- wet again  
All England's eyes  
- turn black and they cry  
- yet again  
Old England's skies  
- turn black and she cries  
- wet again  
All England's eyes  
- turn black and they cry  
- yet again

Oh! - Yeah! - Ooh!

(Keyboard Solo)

Old England's skies  
- turn black and she cries  
- wet again  
All England's eyes  
- turn black and they cry  
- yet again
