Chorus 1:

Alyx, can't you see that it's not to late to be the one who saves my world.

Verse 1:

Sometimes you feel you've got to run away but every time you're compelled
To stay 'cause
Too many times your hearts been crushed to believe in me but
Trust in me and you will see that being with me's not a fantasy but
Some kind of beautiful reality where we can be happy eternally young and in
Love.

Chorus 2:

Alyx, don't you cry because I will try not to fall in love with you.

Verse 2:

Sometimes I feel like it is all a waste, maybe it'd be easier to lose the
Race.
In a world so fill with pain what's the point in playing the game but
Then I think of what we could be, unstoppable forces like you and me.
Separated it is clear to see that I'm useless to use this to save a girl
Named...

Chorus 3:

Alyx, don't you cry because I will try not to fall in love with you.
Alyx, can't you see that it's not to late to be the one who saves my world.

Bridge:

You tell me I'm insane but I know you feel the same.
Deep down in your heart and soul I know you love me

too.

We were always meant to be please don't throw that all away.

Listen to your heart tell me, what's trying to say?

Don't you dare leave me alone again I won't make it on my own.

It's now or never be forever split in two by stone.

You're the only thing that still feel right.

Please don't make me say that...

Chorus 4:

Alyx, don't you cry because I will try not to fall in love with you.

Alyx, can't you see that it's not to late to be the one who saves my world.

Alyx, can't you see that it's not to late to be the one who saves my world.

Outro:

I told your heart to choose, you tore my heart in two.

Still I've fallen more for you. I can't get over you.

I'll be waiting here for you.
