Verse 1:

Don't let your hungry heart keep you from the things
that you love most
dearly now.
If only you could learn to let things go.
Don't try to hard to fight 'cause you just might find
you've won.
Your voice it makes me want to write and sing happy
jazz yeah yeah yeah.

Chorus:

The sky is bluer and music is newer when you are here
with me.
Yeah yeah there's nothing better than when you're near
to me and when
you're hear with me.

Verse 2:

Your hair in your eyes makes me want to smile 'cause I
know in awhile
you'll be here
and I've waited patiently for you.
I can't get over all the amazing things you do.
I only hope that my happy jazz song makes you want to
stay 'cause girl you
know that...

Chorus:

The sky is bluer and music is newer when you are here
with me.
Yeah yeah there's nothing better than when you're near
to me and when
you're hear with me. Ah-who.
