What you gonna do on your own
Even wonder should you ever go home
Here come those feelings can't be right
You think nobody's gonna miss you tonight

Mistrusted heartbroke and busted
So where's the justice

Gonna be alright when love comes around
No hurricane wind blowing
Can slow you down
You be alright when love comes around

You say that you've never known
The kind of love that gets down deep
In your soul
You're still reelin' from the fight
You wouldn't know it if it hit you tonight

Mistrusted heartbroke and busted
So where's the justice

Gonna be alright when love comes around
No hurricane wind blowing
Can slow you down
You be alright when love comes around

And I will never know
The questions you're asking
I know nothing at all
How can you stand upon
The judgement you're passing
When you don't even know the cause

Mistrusted heartbroke and busted
So where's the justice

Gonna be alright when love comes around
No hurricane wind blowing
Can slow you down
You be alright when love comes around
