Holy rider takes to the air
Holy rider please beware
Carry the news with care

Holy rider it's time to start
Holy rider brave in the dark
Though we are just a spark
Made up of many parts

Down from the hills
Everyone race
Witness the time
Heaven will weigh the heart of stone

Heart of stone
Watch it break
Break the heart of stone

Holy rider take to the air
Holy rider please beware
Carry the news with care
Promise we'll all be there

Different in shape
Colour of face
Equally bought
But heaven will weigh the heart of stone

Heart of stone
Watch it break
Break the heart of stone

Down from the hills
Everyone race
Witness the time
Heaven will weigh
Different in shape
Colour of face
Equally bought
But heaven will weigh the heart of stone

Heart of stone
Watch it break
Break the heart of stone

Heart of stone
Watch it break
Break the heart of stone
