Verse 1:

I didn't want a friend like you wanted to pretend 'cause
everything is not

Okay.

I'm better off unknown. You're better off alone, just
promise me you wont

Forget...

Pre-Chorus 1:

... everything we had, all the good things and the bad. I
wish that you could

See what I mean when I say,

"You were everything to me, but it wasn't meant to be."

I feel so lonely.

Oh whoa.

Chorus:

I believed in you, but what'd you do? You gave up
everything. If only for

Awhile.

Everybody's gone and everything feels wrong. Oh I just
can't bring myself

To say good-bye to you. Oh whoa.

Verse 2:

You're sick of all the fights? Well I think it's only fair
that you just

Learn to let it go.

I've never been so sad. You've never seemed so mad. I
think it's time for

Me to go.

Pre-Chorus 2:

I'm feeling so alone, smashing everything I own. This
song is my final hope

'Cause

I can't get over you and I don't know what to do. I'm
truly...

Bridge:

Sorry for the way it's been. I thought that we could work

it out, but you
Weren't there.

Chorus:

I believed in you, but what'd you do? You gave up
everything. If only for
Awhile.

Now everybody's gone and everything feels wrong. Oh
I just can't bring
Myself to say good-bye to you 'cause

Chorus:

I believed in you, but what'd you do? You gave up
everything. If only for
Awhile.

Now everybody's gone and everything feels wrong. Oh
I just can't bring
Myself to say good-bye.
