"Leave Her Alone"

She says she doesn't want to go to disco,
She doesn't want to talk over the phone
There's no lust nor anything beyond that,
She just wants to be alone.

O, o, oh, she wants you to leave her alone,
Leave her alone, tonight she's on her own,
She's staying home tonight.

Ay, ay, ay, she said she's not your type,
Not your type at all, don't you mind
It's nothing personal.

You can't discern affection from attraction,
You think that you're in love but you're so blind,
If you'd think outside the box a little
You would see that she is not your type.

O, o, oh, she wants you to leave her alone,
Leave her alone, tonight she's on her own,
She's staying home tonight.

Ay, ay, ay, she said she's not your type,
Not your type at all, don't you mind
It's nothing personal.

Oh, you're losing control,
You're into her comfort zone,
Go, go, go

You are nothing but fool
Cause she's not in love with you,
No, no, no

O, o, oh, she wants you to leave her alone,
Leave her alone, tonight she's on her own,
She's staying home tonight.

Ay, ay, ay, she said she's not your type,
Not your type at all, don't you mind
It's nothing personal.
