#### Verse 1:

There's something inside us all that makes our hearts  
yearn for love,  
That's why I need you here, 'cause you complete my  
word. I don't ever wanna  
Hear you say that you're not worth my time, 'cause  
you're my everything,  
You are the only one.

#### Chorus:

Only you can make my life complete, only you can stop  
this heart ache.  
Please believe me when I say you're loved. Only you  
love, only you.

#### Verse 2:

Somebody once told me that if you have loved then you  
have found, well if  
So I'm more than found, I've become immortal.  
There's something about you that I need in me I just  
can't explain, without  
You evermore I'd crash, burn, and (HIT THE FLOOR! )

#### Chorus:

Only you can make my life complete, only you can stop  
this heart ache.  
Please believe me when I say you're loved. Only you  
love, only you.

#### Bridge:

This feeling (I love you) can't be spoken of. I'm thinking  
(I love you)  
Maybe this feeling's love. This feeling (I love you) that  
only you instill,  
I'm screaming (I LOVE YOU! )

#### Chorus:

Only you can make my life complete, only you can stop  
this heart ache.  
Please believe me when I say you're loved. Only you  
love, only you.

Chorus:

Only you can make my life complete, only you can stop  
this heart ache.

Please believe me when I say you're loved. Only you  
love, only you.

And I love only you.
