You take a dangerous line  
Holding a loaded gun  
It's just a matter of time  
Before you hurt someone  
So keep your running shoes close  
And sing your rebel song  
Then disappear like a ghost  
The hunter won't be long  
Don't you know there's no forgiving  
Like a rabbit on the run  
When you have to go on living  
By the gun ...  
Well go on shoot  
Someone cries that's the beginning  
Go on shoot  
Justify the blood you're spilling  
Come on and shoot  
Show the world that you're not kidding  
All gathered deep in the earth  
A careless light betrays  
Be feared the Devil he's at work  
No place to end your days  
To hold the balance of the fight  
And scream your hearts desire  
Don't give the automatic right  
To quench the holy fire  
Don't you know there's no forgiving  
Like a rabbit on the run  
When you have to go on living  
By the gun ...  
Shoot  
Someone cries that's the beginning  
Go on shoot  
Justify the blood you're spilling  
Come on shoot  
Come on shoot  
Someone cries that's the beginning  
Go on shoot  
Justify the blood you're spilling  
Yeah  
Show the world show the world

Yeah  
Justify the blood you're spilling  
Now Show the world you're not kidding
