Not forsaken, another heart
They lie taken in foreign parts
Someone breakin' another heart
They lie waitin' in foreign parts

Old England's skies
- turn black and she cries
- wet again
All England's eyes
- turn black and they cry
- yet again

Standing over another heart
Winds blow colder in foreign parts
And the nameless, the sacred heart
Come to claim us from foreign parts

Old England's skies
- turn black and she cries
- wet again
All England's eyes
- turn black and they cry
- yet again
Old England's skies
- turn black and she cries
- wet again
All England's eyes
- turn black and they cry
- yet again

Oh! - Yeah! - Ooh!

(Keyboard Solo)

Old England's skies
- turn black and she cries
- wet again
All England's eyes
- turn black and they cry
- yet again
