I looked the lights, as it faded fast (darker)
Where am I going, no one tells me
A journey far beyond my dreams (harder)
Everyone knowing no one can see

Beneath me flows a silver sea (deeper)
Deeper than ever, take me over
Above me miles and miles of sky (higher)
Forbidden treasure, don't grow older

How could it take so long to decide?
Now I've made up my mind, to sail for
Great adventure - claim your lonely years
Great adventure - save your only tears

Well I looked the lights, as it faded fast, ooh, darker
Where am I going, no one tells me
A journey far beyond my dreams, ooh, harder
Everyone knowing no one can see

Across the universe we reach, further
Until we've found what we are seeking
Within ourselves our future lies, oh, waiting
For a solution, none repeating

How could it take so long to decide?
Now I've made up my mind to sail for
Great adventure - claim your lonely years
Great adventure - save your only tears
