Not forsaken, another heart
They lie taken in foreign parts
Someone breakin' another heart
They lie waitin' in foreign parts

Old England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again

Standing over another heart
Winds blow colder in foreign parts
And the nameless, the sacred heart
Come to claim us from foreign parts

Old England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again

Old England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again
Oh, yeah, ooh

Old England's skies
Turn black and she cries, wet again
All England's eyes
Turn black and they cry, yet again
