Now everything's gone my way  
I'm a king among men  
I did what the people say  
With the sword not the pen  
All of my life, all of my life  
All of my life I gave it away  
All of my life, all of my life  
All of my life I gave it away oh through it all away  
I constitute all that's left  
The brave and the wild  
All gone to seek endless rest  
Their sleep unspoiled  
All of my life, all of my life  
All of my life I gave it away  
All of my life, all of my life  
All of my life I gave it away a lot of through it all away  
And now the water falls, the mountain calls  
I'd give you all of these  
For now the war is won and I am done  
No use am I in peace, peace  
Yeah, yeah  
Oh  
Yeah, Yeah  
All of my life, all of my life  
All of my life, all of my life  
All of my life I gave it away, oh  
All of my life, all of my life  
All of my life, all of my life  
All of my life I gave it away oh lord, oh lord away, Wow  
Now at last I can understand  
Why I am alone  
I recognise not this land  
My eyes have grown old, they've grown old  
All of my life, all of my my my my my my my life  
All of my life  
All of my life oh push push push push  
All of my life, all of my my my my my my my life  
All of my life  
All of my life I gave it away oh through it away  
And now the water falls, the mountain calls  
I'd give you all of these  
For now the war is won and I am done

No use am I in peace, peace oh  
All of my life
