When did you stop lookin' homeward  
Deep in trouble endlessly  
Just like a ghost 'cross the water  
You disappeared quietly  
Now every day seems too long  
And everythin' just goes wrong  
So when d'ya start to live again  
Oh what a way for this to end  
CHORUS:  
You better let somebody in  
No open door to anything  
You better let somebody in  
The times growin' shorter  
Let somebody in  
You're gonna lose it all again  
You better let somebody in  
Before your blood turns to water  
Now you get lost in your own time  
Hide your secrets far away  
Don't count the cost when you're fallin'  
Don't have the answers so they say  
When everyday brings you down  
You're just a face in the crowd  
'cause you don't try you don't pretend  
Oh what a way for this to end  
CHORUS  
I thought that I really knew you  
But that can't be right  
And no one could ever find you  
Lost in the night  
(guitar solo)  
CHORUS
