Stayed up all night
Talking about schemes
That was the thing
It turned on the light
Made up our dreams
Like midnight kings

Golden days
But the sun's going down
Evening comes
And there's no one around
No one

Kept running all night
To get away
Lost in the moonlight
Knelt down to pray
No conversation
No black or white
There's no salvation
Comes overnight

Traded our life
Right for the time
All we could bring
It's not too late
Look where we are
We're midnight kings

Couldn't stay
But I'm still feeling fine
What a day
And I'm ready to shine
Shine on

Kept running all night
To get away
Lost in the moonlight
Knelt down to pray
No conversation
No black or white
There's no salvation

Comes overnight

Live, yeah, live for the day
Give, yeah, give any way
Live, yeah
Give, yeah

Kept running all night
To get away
Lost in the moonlight
Knelt down to pray
No conversation
No black or white
Thereâ€™s no salvation
Comes overnight

Kept running all night
To get away
Lost in the moonlight
Knelt down to pray
No conversation
No black or white
Thereâ€™s no salvation
Comes overnight
