Just when I think it can't get worse & I'm sure
It's never gonna work
You tell me everythin's alright & I know
You'll take away the hurt
No words of wisdom
No story's end
I don't understand you see
I can't help myself
It's somethin' I can't fight
That's the way it's gonna be

CHORUS:

Still

Hangin' on, wait a lifetime for ya Hangin' on, Iâ´ll be
right there

Still

Hangin' on, like the last time for ya
Hangin' on, some place, somewhere

When I wake up & you're not there, I reach out
There's
nothin' left behind
I wonder what I'm lookin' for, I should know
There's nothin' there to find
No words of wisdom
No story's end
I don't understand you see
I can't help myself
It's somethin' I can't fight
That's the way it's gonna be

CHORUS

Pick me up, take me away
Where you go, beautiful day
Take me away
Over that rainbow
Out of the grey
