And if you wanted that star that shines so brightly
To match that stardust in your eye
Darling, I would chase that bright star nightly
And try to steal it from the sky

I would bring
Sweets for my sweet, sugar for my honey
Your first kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go

And if you wanted a love to last forever
Darlin' I would send my love your way
And my love'd not only last forever
Mmmm, But forever and a day

I would bring
Sweets for my sweet, sugar for my honey
Your first kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go

And if you wanted a dream to keep you smilin'
I'd tell the sandman you were blue
And I would ask him to keep that sand a-pilin'
Until your dreams had all come true

I would bring
Sweets for my sweet, sugar for my honey
Your first kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never ever let you go

I would bring
Sweets for my sweet, sugar for my honey
Your first kiss thrilled me so
Sweets for my sweet, sugar for my honey
I'll never let you go
