Send my love on the telephone
No one answers, no one's home

Call after call, I just get nothing at all
Dirty feelings, they can't be right
Try again for tomorrow night

No luck at all, it's got me walking the floor
Walking the floor!

Good love - forsaken
Two hearts - one breakin'
Good love - mistaken
Two hearts - one achin'
Achin'

Send my love on the telephone
No-one answers, no one's home

Call after call, I just get nothing at all,
oh, no!
Dirty feelings, they can't be right
Try again for tomorrow night

Ooh, no luck at all, it's got me walking the floor
Ooh, walking the floor!

Good love - forsaken
Two hearts - one breakin'
Good love - mistaken
Two hearts - one achin'

(Guitar Solo)

Yeah! - Oh!
Oh! Good love - forsaken
Two hearts - one breakin'

Good love - mistaken
Two hearts - one achin'

Good love - yeah, forsaken (forsaken)
Two hearts - one breakin' (my heart is breakin')

Good love - mistaken (it's mistaken)
Two hearts - one achin' (I'm achin')

Good love - forsaken (it's mistaken)
Two hearts - one breakin' (my heart is breakin')

Good love - mistaken (I'm mistaken)
Two hearts - one achin' (I'm achin')

Good love - forsaken (forsaken)
Two hearts - one breakin' (my heart is breakin')

Good love - mistaken (I'm mistaken)
Two hearts - one achin' my heart is achin'
