I can read between the lines
Understand what's on your mind
There's a storm about to break
And you just can't wait
Stand up
Hear me out
Stand up
Hear what I'm talking about
I'm confused
You can't lose
What kind of love is this
When I can't defend myself
What kind of love is this
I gotta look for help
Now we're runnin' out of time
And no matter how we try
All the colours turn to black
And we can't get back
Stand up
Hear me out
Stand up
Hear what I'm talkin' about
Been accused
You're bad news
What kind of love is this
When I can't defend myself
What kind of love is this
I gotta look for help looking for help
What kind of love is this
On a sea of emptiness yeah yeah
What kind of love is this
When you live for yourself self
