Wild Swan By Magnum.

Wild swan follow the river
Don't fly through dangerous skies
On and on from bow and quiver
Ride over mountains so high
Over feilds and the ruin of castles
Into the evening we soar
City lights begin to sparkle
Like diamonds thrown to the floor
Fly home it's just me and you
Your only son
Fly home I've been waiting to
The time has come
The time has come
Wild swan follow the river
Don't fly through dangerous skies
On and on from bow and quiver
Ride over mountains so high
Out to sea on the wings of heaven
Where silver cuts like a knife
Say farewell to the ships of the ocean
We travel into the night
Fly home it's just me and you
Your only son
Fly home I've been waiting to
The time has come
The time has come
I'm coming home
I'm coming home
I'm coming home
