Someone turned the light on, baby  
Someone turned the light on  
Someone turned the heat on, honey  
Someone turned the heat on  
Someone find a someone, baby  
Someone to rely on  
Someone turned the heat on, honey  
The summer's here

Early june  
I will stay  
It will bloom  
If you say  
What a life  
In the shadow  
What a life  
In the shadow  
Out of sight  
Coming soon  
There's a light  
Afternoon  
Let the sun  
Be your guide  
Let it come  
By your side

Someone take the cash out, baby  
Someone take the cash out  
Someone fix a drink now, honey  
Someone fix a drink now  
Someone find a someone baby  
Together we'll get lashed out  
Someone fix a drink now honey  
The summer's here

Any way the wind blows  
ANY WAY THE WIND BLOWS

Early June I'm a cowboy  
Early June I'm a cowboy
