Ohh what a feeling I have inside today. No lack of faith  
in me like  
yesterday. I have to remember exactly where I am,  
'cause I don't wanna  
go in the wrong direction again.  
I have no worries no! all together it feels easier!;

It's  
raining outside today. It's getting dark by noon. Ice  
cold winds are  
dancing outside my room. I light up a candle, I pour  
myself some  
tea..inside I'm laughing how easy it all can be.

I guess I have no worries..  
all together it feels easier right now than ever  
I have no worries all together it seems easier!
