Now it's been too slow
My mind just spent in high or low
When nothing comes in between
Seem to lose track of the matters most to me

So goodbye, bye
Bye, bye
I'll try
To get this restless side of my soul to die

(Mmmmm..)

(Tu tu tu tu, tu ru tu, tu tu)

It has never been as clear as now
Fear of failure breaks through me somehow
Some time is needed for clarity
Now a cuts through takes over me

So I've got it now my deepest dreams
Even to speak to and inspire me
Can hear it well from across the street
But I just can't get ahold of it

So goodbye, bye
Bye, bye
I can't deny
It's already a part of me until the day I die

(Oh yeah! Aah)

So goodbye, bye
Bye, bye
I can't deny
It's gonna be a part of me until the day I die

But please don't follow me here tonight.

(Tu tu tu tu, tu ru tu, tu tu..)
