One day you're up and the next day you're down  
You can't face the world with your head to the ground  
The grass is always greener on the other side, they say  
So don't worry, boys, life will be sweet some day  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
We made enough mistakes  
But you know we got what it takes

Oh, we ain't got nothin' yet  
No, we ain't got nothin' yet

Nothin' can hold us and nothin' can keep us down  
And someday our names will be spread all over town  
We can get in while the getting is good  
So make it on your own, yeah, you know that you could  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
We got to make the break  
'Cause we got too much at stake

We made enough mistakes  
But you know we got what it takes
