It's been a happy day  
Try not to spoil it now  
Please don't get  
Hung up that way

Oh, he's not the boy for you  
And I think you know it's true  
Kiss him and don't start to cry

Cause you're having a pipe dream  
An ordinary pipe dream  
(Now you see him flashing  
Right before your eyes)

You're having a sweet dream  
A lifelong sweet dream  
(I'm the one who loves you  
Can't you see it's me)

Pipe dream, pipe dream  
Come back to reality

Now in your mind  
There's always me  
That's the way it's gonna be  
Kiss and tell him goodbye

I say you won't  
Have to dream tonight  
Tomorrow, you might  
Be clear and bright  
I think the pipe's going out

Cause you're having a pipe dream  
An ordinary pipe dream  
(Now you see him flashing  
Right before your eyes)

You're having a sweet dream  
A lifelong sweet dream  
(I'm the one who loves you

Can't you see it's me)

Pipe dream, pipe dream  
Come back to reality, hey  
Come back to reality
