Khakis, gloves and golf hat - T iron, lemonade and tea  
One sunny afternoon Mr. Palmer was golfing near  
Milwaukee  
Made a drink that filled a man with fury  
If Mr. Palmer only knew what was to happen the next  
morning  
Full speed ahead - Straight into the blender  
Where to put his head - Straight into the blender  
Now Mr. Palmer was just a tasty burger for Jefferey but  
during eating lunch  
He had nothing but to drink but then he remembered  
Mr. Palmer's canteen was in the sink  
He drank it up and after all enjoyed it going down
