I get excited at the thought of you
Growing up to be the girl I knew
In my dreams

Silly me I must have overslept
Maybe never didn't get here yet
When you said
I could be the shield to your sword
And I had your word

Oh now running in circles
Back to the crime
Give it time
Oh now running in circles
And wasting my dime

I should know by now I'll never win
I go around and end where I begin
In my dreams
Where you always killed to be near me
And I had your world

Oh now running in circles
Back to the crime
Give it time
Oh now running in circles
And wasting my dime
Give it time

You've got to say what you mean
You've got to mean what you say
You've got to know when enough is enough
And you know it's too much

Maybe never didn't get here yet
Maybe what I see is what I get
It's unfair

Oh now running in circles
Back to the crime
Give it time
Oh now running in circles

And wasting my dime
Give it time (dizzy from you)

Oh now running in circles
Back to the crime
Give it time
Oh now running in circles
And wasting my dime
Give it time
