You can't hurry my God, no no no no
You just have to wait
Trust him and give him time
No matter how long it take
He's a God you just can't hurry
He'll be there, don't you worry
He may not come when you want him but he's right on
time

Oh, You can't hurry my God, no no no no
You just got to wait
You have to trust God and give him time
No matter how long it take
He's God you just can't hurry
He'll be there, child don't you worry
He may not come when we want him but he's right on
time

Brother Job was sick so long
Til the flesh fell from his bone
His wife and his cabinet children
Oh, Everything he had was gone
So when you put this affliction upon me Lord
Come on and see about me
He may not come when you want him but he's right on
time

Mmm, he's alpha and omega
He's the man that John called Jesus
He's God alone
He's mighty, he's high, and strong
Said I'm God all by myself
I don't need, nobody else
Oh, he may not come when we want him but he's right
on time

Oh, some says he's coming in the morning
He's gonna make the journey by train
Some say he'll be riding in a chariot
mmm, shaped like an angel wing
I don't know how, when God's coming

But don't let him catch you with your work undone
He may not come when you want him but he's right on
time

Oh, You can't hurry my God, no no no no
You just got to wait
You have to trust God and give him time
No matter how long it take
He's God you just can't hurry
He'll be there, child don't you worry
Oh, he may not come when we want him but he's right
on time
