Oh dear Lord Iâve loved
God almighty, God up above
Please, look down and see my people through

I believe the sun and moon
Will shine up in the sky
When the day is grey
Itâs just clouds passing by

Heâll give peace and comfort
To every troubled mind
Come sunday, oh come sunday
Thatâs the day

Often we feel weary
But he knows our every care
Go to him in secret
He will hear every prayer

Lillies on the valley
They neither toll nor spin
And flowers bloom in spring
And birds sing

Up from dawn till sunset
Man work hard all the day
Come sunday, oh come sunday
Thatâs the day
