That's all right  
That's all right  
That's all right  
I know it's all right

Long as I know  
Oh, I've got a seat in Your kingdom, Lord  
That's all right  
(That's all right)

Well, oh, it's so right, it's so right  
I believe in my heart  
One day everything would be all right

Long as I know  
Oh, I've got a seat in Your kingdom  
It's all right  
(That's all right)

(That's all right, that's all right)  
I often wonder why good fortune  
(That's all right, that's all right)  
Always pass me by

But long as I know  
Oh, got a seat in Your kingdom, Lord  
It's all right  
(That's all right)

Yeah, it's all right, all right  
(That's all right, that's all right)  
(That's all right, that's all right)  
God has promised me, everything will be all right

Long as I know  
Oh, I've got a seat in Your kingdom  
And that's all right  
(That's all right)

The Lord is my shepherd  
And I shall not wander  
Whenever I'm in trouble

He is my God

But long as I know  
Oh, I've got a seat in Your kingdom, Lord  
It's all right  
(That's all right)

(That's all right, that's all right)  
It's all right, my heart made to believe  
(That's all right, that's all right)  
It's all right when my best friend leave

As long as I know  
Oh, I've got a seat in Your kingdom, Lord  
That's all right  
(That's all right)

(That's all right, that's all right)  
So many nights, Lord, I lay in pain  
(That's all right, that's all right)  
Thinking about the boredoms and my heartaches

Long as I know  
Oh, I've got a seat in Your kingdom  
And that's all right  
(That's all right)

And sometimes my pillow, wet with tears  
(That's all right, that's all right)  
It's so hard, Lord, [Incomprehensible]  
(That's all right)

But long as I know  
Oh, I've got a seat in your kingdom  
That's all right  
(That's all right)

Yes, it's all right, it's all right  
(That's all right, that's all right)  
Oh dear, God, everything gonna be all right  
(That's all right, that's all right)

As long as I know  
Oh, I've got a seat in the kingdom  
And that's all right  
(That's all right)
