Chorus:

Mawlaya salli wa sallim da'iman abadan

'Ala habibika khayril khalqi kullihimi (x2)

Ya Rabbee salli 'aleeh (x3)

Salawatu Allahi 'aleeh

(My Lord send you peace and blessings always and forever

Upon Your beloved, the best of the entire creation (x2)

My Lord send your peace upon him (x3)

May Allah's salutations be upon him)

All the poetry ever written

Every verse and every line

All the love songs in the world

Every melody and rhyme

If they were combined

They would still be unable to express

What I want to define

When I try to describe my love for you

CHORUS

Every sound and every voice

In every language ever heard

Each drop of ink that has been used

To write every single word

They could never portray

Everything I feel in my heart and want to say

And it's hard to explain

Why I could never describe my love for you

CHORUS

There's not a single person

Who can ever match his worth

In character and beauty

To ever walk on earth

I envy every rock and tree
And every grain of sand
That embraced his noble feet
Or that kissed his blessed hands
Ya Rasool Allah
Ya Habiba Allah
Grant us the chance to be with him
We pray to You Allah

CHORUS
