Hey!
Yeah!
I'm standin'
Inside a silver room
A sound inside my head
Like a sonic boom
Well, the preacher
Just you don your purple and black
Is tearin' sacred pictures
In my naked back
Said, hey preacher
And he smiles in return
I think you wanna' see me burn, Yeah!
You're squeezin' off my blood
Please tell me why
But he proceeded to break down and cry
Yeah!
Aw, does someone know the answer
Aw, Yeah!
Tell me Lord, does someone know the answer
Oh, yeah
Hey!
I'm floatin'
Beyond the cosmic dream
A feelin' in my throat
Makes me wanna' scream
Well, aw, lover
Who has no love to spare
Is rippin' out the roots
Of my lovin' hair
Said, hey lover
And she made a drunken face
Well, put yourself in my place, yeah
Please tell me why you wanna' see me hurt at all
But she proceeded to break down and bawl
Yeah!
Aw please, does someone know the answer
Aw, does anybody know the answer

Well, I'm old
I'm tired and low
I'm feelin' like a rainy day

I'm searchin' for a being
Who's seen what I've seen
And I know I'll find him someday
Oh, I know I'll find him someday
I know I'll find him someday
