Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you

Yuugure ni tada hitori anatano koe ga kikitakute
Motto sobani ite hoshikute kono kimochi kizuite hoshii

Always go ahead And give me a chance
Nandomo juwaki nigirishimeta
Kono shunkan tsutaetai itsumono watashi janaikara

Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you
Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you

Itsumo to chigau asaga kitto matteite kureru hazusa
Suki ni natte kizutsuitemo itsukawa warai aeruyone

Always go ahead And give me a chance
Toki ga mikata shite kureruyo
Sarigenai yasashisade itsukawa uketomerareruyo

Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you
Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you

No matter what you say No matter what you do
Things are always gonna be the same I need you here
By my side
Without you In my life I just cry

Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you
Everything's gonna be all right If you wanna get down
tonight
I could change the world that move the mountain for
you
