Sun:

Is your smile genuine?

Are you that really kind?

Do you like money and what it can bring?

Mai:

Where would you wanna hide?

What would you seek?

Would you want what you thought? What you want

If no one can see

No one can see...

Sun:

See the pretty lights, pretty smiles

A Long way from home

Mai:

See the wretched stars, burnt out sun

Out on your own

Sun:

See our story, come - sing along

What would you know?

This is your song

Mai:

This is your song

Mai:

Is your smile genuine?

Are you that really kind?

Do you like money and what it can bring?

Both:

It can bring...

Sun:

Where would you wanna hide?

What would you seek?

Would you want what you thought? What you want

If no one can see

Mai:

No one can see...

Sun:  
Is your smile genuine?  
Mai:  
Are you that really kind?  
Both:  
Do you like money and what it can bring?

Sun:  
Where would you wanna hide?  
Both:  
What would you seek?  
Sun:  
Would you want  
Mai:  
what you thought  
Sun:  
What you want  
Both:  
If no one can see...see...

Both:  
See the pretty lights, pretty smiles  
A Long way from home  
See the wretched stars, burnt out sun  
Out on your own

See our story, come - sing along  
What would you know?  
Mai:  
This is your song

Mai:  
Oh i know...  
Both:  
where I'd rather be...  
Mai:  
So i'm holding on  
Both:  
Going strong  
Join the race, i'll be first place  
Give me glue, we'll be good as new

Sun:  
See the pretty lights, pretty smiles  
A Long way from home  
Mai:  
See the pretty lights, pretty smiles  
A Long way from home

Sun:  
See the wretched stars, burnt out sun

Out on your own  
Mai:  
See the wretched starts, burnt out sun  
Out on your own

Sun:  
See our story, come - sing along  
What would you know?  
This is your song  
Mai:  
This is your song...  
Sun:  
This is your song...
