You gonna play this lonely game through the night
Kodoku na mainichi Nani wo shinjite ikeba ii no?
Kakushita kioku no naka ni
Kesenai kako wo mitsukeraretara
Kono GEEMU mo owari ne
It's a crazy game that we are playing
Tada hitori de iru dake de wa
Ikite ikenai kono sekai de wa Dakara

Perfect Crime Kokoro no KURAIMU wo
Tell me why Tozasareta DOA Kowashite
Kanashimu no wa Owari ni shiyoi
Perfect Game Nukedasenai
Go away Kurayami nante nai yo
Nee Kowagara nai de
I can stop the loneliness

You gonna stop this lonely game through the night
Hitogomi ni magire Nakushita jibun wo sagashiteru
Haiiro ni somaru machi de
Kono SHIGUNARU ga kawatta nara
Arukidasu no Mou ichido
Let all my pain go away
Te ni shita asu to hikikae ni
Okizari ni shita kako nado wasure Dakara

Perfect Crime Dare mo ga minna
No more tears Mune no itami Kakaete
Mogaki nagara Samayotteru
Perfect Game Sasai na BURAI DO wo
Throw away Nugi sutetara Kitto
Yasashiku nareru hazu dakara
We can stop the loneliness

Garasu no you ni kudake chitta
Kibou no kakera wo ima hiroi atsumete

Perfect Crime Kokoro no KURAIMU wo
Tell me why Tozasareta DOA Kowashite
Kanashimu no wa Owari ni shiyoi
Perfect Game Nukedasenai

Go away Kurayami nante nai yo
You can find the way out

Dakara
Perfect Crime Dare mo ga minna
No more tears Mune no itami Kakaete
Mogaki nagara Samayotteru
Perfect Game Sasai na BURAI DO wo
Throw away Nugi sutetara Kitto
Yasashiku nareru hazu dakara
We can stop the loneliness

Looking back
What have you done for me?
I don't wanna cry all the night
Oh I want to tell you now
I want to give you my love forever
