Sabaku ni saku aoi tsuki no hana
Sasayaku koe ga hibiteiru
Anatano me ni wa naniga mieru no
Soba ni iru no ni I don't know where you are
Utsumuku watashi ni te o sashinobete
Doushite sonna ni yasashii no

Don't leave me again sono te o
Never let you go shinjite
In the moonlight stars kowareta kokoro wo tori
modosou

Yozora ni ochiru asu e no hikaru ga
Sukoshi demo ima kagayaku nara
Yume miru koto yamezu toki o koete mo
Sobe ni iru no ni We don't care what it meant
Tashi naka mono sa e wakaranai keredo
Ayumi o tomezuni ikite ikou

Don't leave me again kokoro de
Never let you go omotte
In the moonlight stars itsukawa aoi sora to umi ni

Ima wa mou kanashimi no album o toji
Nagashita namida wa frozen sea

Don't leave me again atarashii peji wo hiraite
In the moonlight stars kagayaku hikusen no hitomi

Don't leave me again
Look at us please
We are trying to live on this earth Oh yeah
In the moonlight stars
All the kids are fighting to live on this earth Oh yeah
