[DJ EZ Dick]

Hey this is radio station Shake That Ass  
and I wanna see that ass shakin  
Toppin the charts today we got a world a premiere  
from DJ Warren G,  
Hey DJ

[Mr Malik]

I never crash and wreck  
yeah best I smash on that  
wit my apparatus in these sacks  
we bring the cash in these checks  
Gz its easy can you feel me  
I thought you needs for she Z  
they never kill me, but at will see  
I grip the illy with the really  
and MCs could never twist me unless I was in their  
Phillys  
come on really, I turn silly on billys  
to big willys like Tommy Willis  
understand the last man standin like Bruce Willis

(Chorus)

Hey DJ lets play that song keep me dancin all night  
Hey DJ lets play that song keep me dancin all night

[Warren G]

Dont let it end till you let it begin,  
we want yo hands in the air cuz we back again  
with Hershey L-O double C doe, funk by the kilo

and we know, how to keep it on the G Low  
incognito, from the Beach to Puerto Rico  
I rolls the dice and my nigga plays C-Low  
Warren G doe, search the lethal like chico  
and nowadays with ways like car lethal  
Funk to Kito, my weapons too lethal  
I'm checkin on my Mic there's no equal to my sequel  
okay party people to the people the people the people  
the people and the playaz

(Chorus)

Hey DJ lets play that song keep me dancin all night  
Hey DJ lets play that song keep me dancin all night

[Mr Malik]

From night to day, day to night it stay on  
We holla Hey DJ now won't you play that song  
Like Teddy oh nah he ain't dead  
we gots tah gots tah wake everybody sleepin in bed  
cuz if you sleep, you slippin, you creep you creppin  
as we sweep you get swept if you ask whats next  
you know how my coke in my hindu, you at the venue  
To be continued, you know we first up on this menu

(Chorus)

Hey DJ lets play that song keep me dancin all night  
Hey DJ lets play that song keep me dancin all night

[Warren G]

Now as my pen, begin to let loose again  
the bullets like duck, duck, goose, stuck  
in the middle of a frame, buck, wit a little bit a game,  
stuck  
and its a muthafuckin shame  
but I'm still here to maintain and run thangs  
as the day gets clearer, I'm lookin in my rear view  
mirror  
and I hear a, nigga that I used be down with  
a nigga that I used to clown with  
and get around with, fuck the pound shit  
they dont make niggaz like they used to  
I remember Marley in the Juice Crew  
Thats why I stay down with LBC days  
it ain't easy  
okay party people to the people the people the people  
the people and the playaz

Chorus: repeat 3X

Hey DJ lets play that song keep me dancin all night  
Hey DJ lets play that song keep me dancin all night
