Oh, aha
Oh, aha, oh, oh

Oh, I can feel you inside me now
Taking over love, taking over me
Oh, and I need you beside me now
Do you really want me? Do you really want me?

Was I supposed to be afraid of you?
I never knew, I never knew, I was
So tell me, are we gonna jump the gun?
I'm ready now, so take my hand and we can

Follow love down
(To a place where we could)
Never go alone
(And let me tell you if we)
Follow love down
(It'll take so much)
Higher than we could know, oh hoo

Oh, I can feel you inside me now
Taking over love, taking over me
Oh, and I need you beside me now
Do you really want me? Do you really want me?

I just wanna be alone with you
I never knew, I never knew, I would
And now you got your hands all over me
I'm ready now, let's close our eyes, so we can

Follow love down
(To a place where we could)
Never go alone
(And let me tell you if we)
Follow love down
(It'll take you so much)
Higher than we could know, oh hoo

Oh, oh, oh

Was I supposed to be afraid of you?

I never knew, I never knew, I was
So tell me, are we gonna jump the gun?
I'm ready now, let's close our eyes, so we can

Follow love down
(To a place where we could)
Never go alone
(And let me tell you if we)
Follow love down
(It'll take so much)
Higher than we could know

Oh, baby, I wanna

Follow love down
(To a place where we could)
Never go alone
(And let me tell you if we)
Follow love down
(It'll take so much)
Higher than we could know, oh hoo

Oh, I can feel you inside me now
Oh hoo, oh
