Yeah yeah yeah...

Rolling dice can help you or hurt you; your virtue  
Is known when you quit cause you've hit your cash  
curfew  
Even if you have to get swift and swindle  
It's as long as you with so close you're simple  
I see people rolling dice with lives  
Telling lies and cutting close like knives  
For a sandwich and selter so probabl't sell the  
Clothes on they man's back for fame and wealth or  
Go with the next man's girl and hit the skins  
Get in his face and say "Yo, we're best friends"  
Scared of a tattle, because his tail shake like a rattle  
And then he'll kiss behind like a saddle  
That'll be the reason why you'll bleed and grieve  
Ready to diss your own brother at breakneck speed  
You roll the dice reall fast to get nice  
But gotta be more precise  
Cause I keep looking, and you'll keep scheming  
I'll start hooking, and you'll be screaming  
Starting to tries in an alibi  
Cause you keep rolling snake eyes

Yeah, yeah, yeah...

The person you least expect to slit your neck  
Nine times out of every ten crimes is the prime suspect  
It doesn't feel good, when you can't trust blood  
And your neighbor's the neighborhood hood  
Plotting the cut neck scam  
You sleeping in the end, you get swept cause you slept  
Yeah, the dice get blown on so step back  
Snakes attack and move as fast as a Cadillac  
But if found in my circumference  
The next day you'll pay to get your fronts fixed  
Rolling 11 is the opposite of heaven  
It's craps, so start revving to make tracks  
Once a snake, you stay a snake  
When you're small you took cookies, but now you take  
the cake  
And talk behind backs, and switch facts

And tax, and probably smoke cracks  
Cause one minute my crib you're all in it  
The next day you wanna play self centered?  
Just because you're in with the fake guys  
And you keep rolling snake eyes

Yeah...

I watch people roll dice in the jungle of concrete  
With venom, corrodes the streets  
Where girls get foul on their guys, why? (They're rolling  
snake eyes!)  
Where the guys get foul on their wives, why? (They're  
rolling snake eyes!)  
False producers are telling lies, why? (They're rolling  
snake eyes!)  
Policemen are taking bribes, why? (They're rolling  
snake eyes!)  
So here's the solution to the problem that lies ahead:  
Shoot a motherfucking snake dead  
For rolling snake eyes
