i don't dig on a chick, mann i beat that pussy down; i
beat that pussy down, i beat that pussy down [4x]

now now, show me where them hoes at

i could see her pussy bread
look at her, her pussy wet
get up in her, shove it in her, ima leave her pussy bent
ahw shit, horse dick, come & get yo wall split
hop up on it, grind all on it, show me you want balls

beat that pussy up, beat it down til' your head explode
mammi up, certified; show me how you feel inside
if that condom pop, i aint stoppin; im gon come inside..

i don't dig on a chick, mann i beat that pussy down; i
beat that pussy down, i beat that pussy down [4x]
