Just when I started to feel like there was no more hope-  
is when hope presented it self. And just like that my life  
changed. Man, so I guess tomorrow really did come.  
Yeah, tomorrow's here

Ohhh!  
Yea, look at me now!  
That's right  
I'm happy baby  
Lets celebrate

Hook:

Stand up now  
Hands up now  
Look at me baby  
I dun came up now  
We dun came too far to give up now  
Pop more bottles lets do it up now  
Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!  
Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!

Verse 1:

Yea, feel the wind breeze  
See the palm trees  
I could feel the clouds in a drop GT  
Who would ever think I would make it out the street?  
My whole life around drugs and the Police  
Remember nights I was stuck in a jail yard  
When I couldn't see the sun through the cell bars  
Now my whole world changed and it feels odd  
Can't believe it, this is what I tell God  
I made it, upgraded, man I found me a dream and I  
chased it  
I was wasting time in and out of cages  
Now I'm in that S6, feels like a spaceship  
We gon drink for my homies cuz they ain't here

One more for my niggaz in the pen, yea  
I coulda been a ghost but I'm still here  
Can't forget where I come from, hell yea

Hook:

Stand up now  
Hands up now  
Look at me baby  
I dun came up now  
We dun came too far to give up now  
Pop more bottles lets do it up now  
Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!  
Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!

Verse 2:

To the top now  
Im a pop now  
I got both feet planted  
Can't stop now  
Mo' money, fast women is my lifestyle  
Look at me buying everything I like now  
Never thought that I would turn my life round  
It's like a crap game, couldn't put the dice down  
I was hopeless, heart broke, and guilty  
I was raised off of oatmeal and grilled cheese  
If you been where I been you gotta feel me  
An example of what a street dream means  
Man I made something out of nothing  
Started out hand to hand on the block pumping  
Look at me now CO, you see me now PO?  
I dun came up, now I'm CEO  
Career criminal, against all odds  
I climbed out the dirt, now I glow with the stars

Hook:

Stand up now  
Hands up now  
Look at me baby  
I dun came up now  
We dun came too far to give up now  
Pop more bottles lets do it up now  
Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!

Celebrate it!  
Celebrate it!  
It's a holiday nigga I made it!

Verse 3:

You wanna eat Duke?  
Nigga me too  
I cant preach to you if I can't feed you  
I'll tell you what though  
I hope these words reach you  
Cuz you never know where life'll lead you  
We gon party for my niggaz that died young  
Too soon, never seen the other side son  
I got homies that been locked up since 9-1  
And I'm thinking man, that could've been my life son  
Floatin in that big body Benz  
Starin at the stars  
Look how lucky I am  
I could've been dead  
I could've been gone  
I guess I am blessed, look at where I came from

Hook:

Stand up now  
Hands up now  
Look at me baby

I dun came up now  
We dun came too far to give up now  
Pop more bottles lets do it up now  
Celebrate it!
