See everywhere I go niggers heard about me
[?] whole inside a world [?] about see
And you already know I'm getting down see
I move like a king, minus [?]
I guess it's cause he's certified, certified
Niggers know me, certified, certified,
Did you heard me? Certified, certified,
Bitches know me, certified, certified,
Did you heard me

Every dog in the country knows me, yeah
Hopping off that double out ghost like, yeah
Ask them about Brooklyn they gonna tell you all my
soldier
Five start general salute me when you roll up
Shorty said they heard of me in Texas
Certified cool now they love me down in Memphis
Bitches out Philli said I'm crazy but they loved it
All tattooed up attitude is fuck that
Help me cause I'm rolling uncontrollable
Any place is land I got fans that nodes me
When they see that black beard, [?] then they know it's
me
Hands all over her, she ain't saying no to me
Then we steal morbid fifty shot carbit [?]
Holing up my eyes full of nights we were starving
Ask em in the hood they gonna tell you I'm unstoppable
I ain't come in [?] that they never thought possible

See everywhere I go niggers heard about me
[?] whole inside a world [?] about see
And you already know I'm getting down see
I move like a king, minus [?]
I guess it's cause he's certified, certified
Niggers know me, certified, certified,
Did you heard me? Certified, certified,
Bitches know me, certified, certified,
Did you heard me

So big [?] boys, for me and Maine we'd be lobby boys
The street labors were hobby

Souling off [?] Ferrari toys parked in front of
abandoned buildings
[?] 60 grand on my hand is chilling
You little niggers with the hand [?] I'm from [?] where
the [?] beef [?] trying to kill him, kill him
And now we ain't used to games
Young bucks don't give a shit they shoot cans
[?] Then they turns around like Jim [?]
I turn around like real nigger I just do to my thang
I get money, and [?] how I do to wings, married to the
game and she seduced me [?]
Hear that, shit
When we was cooking that shit, the world was looking
at [?], we was looking at [?]

See everywhere I go niggers heard about me
[?] whole inside a world [?] about see
And you already know I'm getting down see
I move like a king, minus [?]
I guess it's cause he's certified, certified
Niggers know me, certified, certified,
Did you heard me? Certified, certified,
Bitches know me, certified, certified,
Did you heard me

Yeah before rap I was labeled as a problem,
Real recognize, real buy so they fuck with me at harlem
Shut up to my certified G's let me [?]
From the back blocks of Uk to New Orleans
Yeah, you know about me, my name [?] but you heard
about me
I've been a hood star baby ask about me
I'm [?] certified, that's the word about me

See everywhere I go niggers heard about me
[?] whole inside a world [?] about see
And you already know I'm getting down see
I move like a king, minus [?]
I guess it's cause he's certified, certified
Niggers know me, certified, certified,
Did you heard me? Certified, certified,
Bitches know me, certified, certified,
Did you heard me
