[Intro:]

Ha-ha-ha

Yeah! Mafia

They can't fuck with us!

Hook:

You ain't no friend of me, nigga, yeah

Fuck these industry niggas!

Shit you like we're enemies, nigga

Fuck these industry niggas!

Watch what they say to me, nigga

Fuck these industry niggas!

You gonna be numb on me, nigga

Fuck these industry niggas!

These industry niggas, fuck 'em

He acting slow, buck 'em

I was born against my gangsta custom

And yours don't fix you when your mouth is request me  
to hit

I don't play the new lil hoe games

'names, I don't know you niggas

I have you role game, stress losing your hair

And the street shit for me losing this real

I was just skipping the gift to hold it down like this

Never us, I hold my niggas down like'

Industry niggas alive, boy

That's why I like the way you die, boy

This one is for my real niggas and my real bitches

Ride with us, huh!

Hook:

You ain't no friend of me, nigga, yeah

Fuck these industry niggas!

Shit you like we're enemies, nigga

Fuck these industry niggas!

Watch what they say to me, nigga

Fuck these industry niggas!

You gonna be numb on me, nigga

Fuck these industry niggas!

Uh, fake smiles, fake hugs, fake friends, fake love,  
Fake dwag, fuck boy turn fake blood  
Real rap whack rappers with a fake buzz  
Run up in Atlanta, tell them, 'let me go!'  
Smack my ' grab him by his throat  
Playing with my life to get you yellow taped  
Don't wanna party with you pussy niggas anyway!  
This for my live niggas day and night  
They say Maino is the best, but not promoted right  
Keep the dreams that you're selling me, nigga,  
Cause I don't fuck with you, industry niggas, yeah!

Hook:

You ain't no friend of me, nigga, yeah  
Fuck these industry niggas!  
Shit you like we're enemies, nigga  
Fuck these industry niggas!  
Watch what they say to me, nigga  
Fuck these industry niggas!  
You rolling numb on me, nigga  
Fuck these industry niggas!

I've been in this game for years and'  
Automatic stick but I work my'  
Industry faggots coming short like a manual  
..niggas foolish, fuck rap, nigga, I do this  
Putting cocaine on them rulers, putting pistols to my'  
Putting stacks out on the counter, cashing out like 'em  
jewelers  
I'm push! Nigga, who're you?  
Trying to get paid before  
Before rap I was lulu, the blood line was zulu  
I seen some through you,  
May somebody let Sean know  
Finger start waving like my thumb, and the gun goes  
Prr, yeah, take a lot of shots'. till your body drops fresh

Hook:

You ain't no friend of me, nigga, yeah  
Fuck these industry niggas!  
Shit you like we're enemies, nigga  
Fuck these industry niggas!  
Watch what they say to me, nigga  
Fuck these industry niggas!  
You rolling numb on me, nigga  
Fuck these industry niggas!
