You said you needed you a thug
You said you needed you a G
You said you needed you a soldier
That's why you holla at me

No I ain't gon buy you diamonds
No I ain't gon buy you pearls
But I can push a purple rain off
Or maybe make you toast girl

I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby

I'm a big part of the game I'm street certified
The hood calling my name, you probably heard of I
More money more haters maybe as long as I'm
Still breathing these niggers don't keep it real inside
Said you tried you looking for some different ear
Lame niggers you headache and I'm you're medicine
You intelligent you just seen the differences
Me and all these bird ass niggas you used to dealing
with
Your last minute have a clue with how to handle you
So we tryna fight with the beverages
Never who and we'll never make them do
You can tell just I'm moved I ain't gon play with you
All you need is you dance and spend a day too
You be surprised with some days I do
I can have your body the first I want your mine
I got what you need and it's hard to find

You said you needed you a thug
You said you needed you a G
You said you needed you a soldier
That's why you holla at me

No I ain't gon buy you diamonds
No I ain't gon buy you pearls
But I can push a purple rain off
Or maybe make you toast girl

I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby

I'm sorry baby I'm sorry baby I'm sorry baby

Listen, look

Hey no you used to be lying I am being honest with you
I ain't got jewellery or all them diamonds for you
Said you need you a thug and I'm the nigga for you
Ain't no faking oh baby I bring the dismiss to you
I'm touching emotions you never felt before
Come by with a nigga that bring the [?] for
If commanding me, I think your fantasy
You said you wanted for free and now it's your chance
to be

And though I told ya, I'm your soldier
Now just a nigga who walk all over
Purple rain in the wayne we ain't no pover
You need you a nigga that have you sold up
I don't give you pearls
I bring it to my world
Introduce you to killers that had you feeling girl
I was a G when you came to me
That's just who I am

You said you needed you a thug
You said you needed you a G
You said you needed you a soldier
That's why you holla at me

No I ain't gon buy you diamonds
No I ain't gon buy you pearls
But I can push a purple rain off
Or maybe make you toast girl

And I heard...

I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby

I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
I'm sorry baby I'm sorry baby I'm sorry baby
